## Mental Health for All

*from West Howe Regeneration Partnership*

Many have expressed concerns about how we are equipped to support people in our community with low level mental health problems. Who we refer people to, what can we ourselves do, what services exist, how are things changing to better respond, whose problem is this?

The West Howe Regeneration Partnership is organising an event to help practitioners work out how they can all better respond and identify what needs to be put in place to achieve this.

After short presentations from a range of perspectives, targeted discussions will follow to agree on some practical solutions. Please book your place on the FREE local event.

**Tuesday 6th October, 9:00 - 13:30 with lunch included**

**At the Factory, 14 Alder Hills, Poole, BH12 4AS**  
**Please RSVP [fran.ceo@bournemouth.gov.uk](mailto:fran.ceo@bournemouth.gov.uk) to confirm your attendance**
