Information & Networking Event in March

Bournemouth 2026 Trust is having it's first Information & Networking Event of the year on 10 March from 9:15 am to 12:30 pm.

Almost a year since our last Event, we are excited to have these start again. Information & Networking Events with the Trust happen 4 times a year. This first event, normally free only to members, is allowing any member to bring one guest. On top of that, **we have free bike lights to the first 18 people who arrive on the day of the Event.** The bike lights have been given to us from the Council as part of their [safe travel campaign.](#)

You can find more information about the Event programme and register for it [here.](#)

We encourage our members to come, network and discover what the Trust has planned this year. We look forward to seeing you there.

Big Lunch Extras

Big Lunch Extras is a programme to help individuals across the UK create positive change within their communities.

The programme is aimed to help develop people's skills, build their confidence and help spark new ideas that could make a difference where they live, through our:

- series of inspirational events
- free web resources
- online Community chat area

Bournemouth 2026 Trust's 2015 Membership Drive

The Trust is making 2015 the year to build our membership and appeal to more individuals and organisations to join us as we make Bournemouth a better place to live and work.

As a member of Bournemouth 2026 Trust, we encourage you to share with your network activities of the Trust: we have done, what we do and what we are going to do in the future. In turn we do as much as we can to advertise the activities and events of our members. The more members we have the more effective you are and we are. Encourage other individuals and organisations you know to read about our Trust membership and join today but forwarding them the link below.
