

BOURNEMOUTH 2026

Working together for a better future

How Bournemouth 2026 is changing

Bob Boulton
Chair of Bournemouth 2026 Partnership

Debbie Clifton
**Bournemouth 2026 Development
Manager**

Partnership Review

- Context of partnership working has changed
- Bob Boulton became new chair from 1st December
- Review was needed to ensure the partnership is still fit for purpose, value for money and can meet future challenges
- Root and branch review was carried out between December 2010 – February 2011, considered and agreed in principal by Vision Board on 1st March 2011

Outcome of Review

- ❑ Strong mandate for continuation of Bournemouth 2026 partnership
- ❑ Focus partnership on a few priorities whilst recognising importance of wider Sustainable Community Strategy activity to deliver long term vision
- ❑ Need to be self sustaining by April 2013
- ❑ Simple & streamlined structure – outcome focused meetings not talking shop

Outcome of Review

- ❑ Engage wider community including private sector to deliver sustainable community strategy – Big Society
- ❑ Intelligence led decision making
- ❑ Outcome focused partnership activity
- ❑ Prevention & intervention are key
- ❑ Supporting third sector to thrive

Implementation of fewer priorities

Using intelligence led approach the Board agreed to focus on:

- 2 priority neighbourhoods: Boscombe & West Howe
- 2 issue priorities: Young People Realising Their Potential & Families in Crisis
- Boscombe Regeneration Partnership leading on developing Boscombe Action Plan

How we are becoming self sustaining

- ❑ Becoming Development Trust
- ❑ Social enterprise group exploring possibilities
- ❑ Exploring possible Community Land Trust
- ❑ Develop consortia to enable local third sector organisations to compete with nationals
- ❑ SE to help young people realising their potential
- ❑ Exploit trusted brand of Bournemouth 2026 partnership

Implementing streamlined structure

- ❑ Moved from consultation forums to focused workshops, information & networking days
- ❑ Today is the first information & networking day
- ❑ Suggestions for topics welcome
- ❑ Workshops: Boscombe workshop held in July, The Speakers event in July
- ❑ Future workshops: West Howe, Families in Crisis, Boscombe action plan, Social networking

Current Structure

- Insert structure chart

Sustainable Community Strategy 2011 - 2014

- Will be launched at Annual Conference
- To include:
 - 4 new priorities – with targets
 - Targets for visions – to be monitored annually
 - LAA legacy
 - Actions for wider community ie Big Society
 - 4 Golden Threads: Reducing inequality, Earth Charter & sustainability, Prevention, People influencing decisions
