Help Fernheath Community Sports Association Get Their Outdoor Gym!

Help Bournemouth 2026 member Fernheath Community Sports Association get the outdoor gym they have been needing by voting for them on the [Aviva Community Fund website](#).

If they are successful and get enough votes, residents of the community will have free access to this fitness equipment. In this deprived area of Bournemouth, where most people cannot afford a gym membership, it is vital to give people the opportunity to exercise and to keep within a healthy weight range.

They have eight adult teams, all from the local area who use the pitches as their home ground for matches in the Hayward League on Saturdays & Sundays. Together with the local running club, they would all benefit from having access to the gym equipment.

You can register to vote for them by following this [link](#). It costs you nothing and only takes a few minutes. Let us help Fernheath realise this dream together! The opportunity to vote expires 31 May - so please act today!

The Trust's Intern, Julia Krebs, Says Goodbye

My name is Julia Krebs and I'm studying Public Administration at the University of Applied Sciences in Kehl, Germany. I did a three-month internship in the Bournemouth 2026 Trust office and really enjoyed my time there.

I chose this internship in Bournemouth because I wanted to improve my English and see how people work in the social sector in a different country.

During my time here my main tasks included website maintenance, membership administration, and event and staff assistance.

Information & Networking Event

The next Information & Networking Event is 30 September 2015. To register to attend click [here](#).

The last Information & Networking Event on 6 May was filled with energy.

The theme was Health and Wellbeing. Presentations were received on Turnaround Families, Child Sexual Exploitation, Live Well With and Beyond Cancer, Live Well Dorset, Affordable Warmth, and Better Together- Integrated Health and Social Care across Bournemouth, Dorset and Poole.

You can view the presentations from the event at <http://bournemouth2026.org.uk/member-information-networking-events>.

Science Dome UK Upcoming Events

The Science Dome UK are the biggest portable pop-up planetarium and science dome business in the country and are very pleased to announce their new base at the Bourne Spring Centre.

Their services provide a fully digital mobile planetarium, exploring science, geology and geography in an interactive way. They include natural history shows (rocks/ fossils and dinosaurs) to schools, colleges, youth clubs, scouts groups and playgroups. Whilst providing an additional educational resource, the response from both students and teachers is often "Wow"! Your presentations help to enhance and complement what is already being taught in the

classroom."

The Science Dome UK have two Bournemouth events planned:

1. Science Dome Schools Event - 17-18th September 2015
2. Science Dome Public Event - 28-29th October 2015

To find out more contact Nigel Martin on 01202 729121, email sciencedome@ntlworld.com and please like them on Facebook www.facebook.com/sciencedomeuk for event updates and check out their website www.sciencediscoverydome.co.uk

Other News Items
