Membership Spotlight: Young Enterprise by Sam Everard

Tell us about yourself or your organisation?

Young Enterprise is the UK's leading enterprise and financial education charity. We aim to empower young people and to bridge the gap between the skills they leave school with and the skills local employers are looking for.

Why are you a member of Bournemouth 2026 Trust?

Young Enterprise is a member as we can see the benefits of working together as a community.

What can and does the Trust do for you as a member that you find valuable?

We value the networking sessions and the meetings you offer where we can help shape your plans for the future. By being part of these plans, we can all work together for a more sustainable future.

What can the Trust do for you as a member that we are not already doing?

Perhaps there could be more information on local events and businesses to increase footfall in the local area. For example, working with BCTC on the buy local campaign or the Small Business Saturday.

How do you see Bournemouth 2026 Trust being of value to Bournemouth?

By keeping the community working together! It is all about supporting local business, communities and schools.

Bournemouth 2026 Trust Conference & AGM

Don't forget to register and join us for our annual conference and AGM on November 18th at the Life Centre in Winton. We will be providing an update on the Trust activities and launching a short show reel celebrating the achievements of the Trust so far. We will also be introducing a project on inequality that we will be undertaking in partnership with Bournemouth University, Bournemouth Council and other organisations. Our guest speaker will be providing a presentation on inequality followed by a workshop where we will explore what is happening around this issue in Bournemouth and how we can all contribute to greater equality.

Before lunch, we will hold the Trust's AGM. Each organisation attending is entitled to one vote and individual members have a vote.

This event gives you the opportunity to network with other Bournemouth 2026 Trust members and find out what services they provide. We hope you can make it and look forward to seeing everyone

All members are welcome to bring a pop up banner and promotional information about their organisation, please let us know if you would like to, and we will ensure there is adequate space.
