Membership Spotlight: Bournemouth Rotary by Ted Taylor

Tell us about yourself or your organisation?

I am member of the Bournemouth Rotary, and (this year I am President of the club) which is a global network of volunteer leaders dedicating their time and talents to tackle the local and world's most pressing humanitarian challenges. Its work impacts on the lives of people both at local and international levels, from helping families in need in their own communities to working towards eradicating disease and poverty.

Why are you a member of Bournemouth 2026 Trust?

We are a member of Bournemouth 2026 Trust to share our ideals in making Bournemouth a positive place to live, work and enjoy each other's company. We want to be part of a partnership of organisations who have the same commitment in improving lives around Bournemouth.

What can and does the Trust do for you as a member that you find valuable?

Working together with the Council and the local organisations in creating opportunities through and promoting Bournemouth 2026 throughout Bournemouth and the surrounding areas.

How do you see Bournemouth 2026 Trust being of value to Bournemouth?

It promotes the work and creates the right images for the town of Bournemouth, by involving people which must include young people, and local organisations by creating a positive profile of the town.

Farewell From Debbie Clifton

by Debbie Clifton

Many of you will know that I have been absent from work due to ill health since June last year, sadly I have been unable to return to work and have now taken early retirement from Bournemouth 2026 Trust.

I have thoroughly enjoyed working for Bournemouth 2026, from helping it form as a local strategic partnership in 2000 through to its transformation into a Development Trust and Community Land Trust. As the Development Manager since 2006 I have been fortunate to work with such a highly skilled board, staff team and members of the Trust, working on a wide variety of projects to improve Bournemouth and bring millions of pounds of investment into the town.

I would like to thank all those I have worked with over the past 15 years and wish success to the Trust and its members. Best wishes and goodbye.

Bournemouth 2026 Trust Conference & AGM

The Trust is excited about our upcoming Conference & AGM taking place on 18 November 2015 at the Life Centre in Winton. This year's theme is ***Inequality: A Wicked Issue***.

Tina Thompson, the Trust's Interim Development Manager & Company Secretary will be providing an update on the Trust activities and showing a short show reel celebrating our achievements of the past year. Sam Johnson will be the guest speaker on inequality followed by a workshop where we will explore what is happening around this issue in Bournemouth.

Before lunch, we will hold the Trust's AGM. Each organisation attending is entitled to one vote and individual members have a vote.

This event gives you the opportunity to network with other Bournemouth 2026 Trust members and find out what services they provide. We hope you can make it and look forward to seeing everyone
